

Philip Viljoen

Hons B.Eng. (Civil) | MBL | Jonah Jonah

Philip Viljoen is a TOC educator, mentor and coach for all the TOC applications. He owns a successful Theory of Constraints Consulting company (Philip Viljoen Education) and is the CEO of Theory of Constraints Southern Africa, an Education and Business Consulting company as well as the Managing Director of RuZults (Pty) Ltd, a level 2 B-BBEE TOC implementation company.

He met Eli Goldratt in 1992 and remained in close contact with him till his death in 2011.

From 1994 he worked for 7 years as a management consultant with the Avraham Goldratt Institute on a number of projects developing and implementing business solutions and improvements in manufacturing and project-based companies using the Theory of Constraints applications.

As faculty of Goldratt Schools he educated and mentored internal TOC consultants in India for Tata Steel and Dr. Reddy's Laboratories. He was closely associated with the Tata Management Training Centre in Pune in developing and delivering TOC courses and programmes to Tata Companies.

He teaches Strategic Project Management on the Masters in Project Management programme of the Graduate School of Technology Management at the University of Pretoria. He also teaches Organisational Performance Management on an executive development programme at the Graduate School of Business Leadership of UNISA. He regularly supervises a number of research students at the Gordon Institute of Business Science.

His consulting clients implement TOC solutions through his mentoring and coaching of the people responsible for the tasks on the implementation project and then embedding the TOC rules through an integrated TOC-ERP system. He measures his effectiveness on the results of his clients. He currently focuses on rapidly growing small and medium size businesses.

He leads the annual South African International Theory of Constraints Practitioners Alliance conference.
